

Manchester
Digital

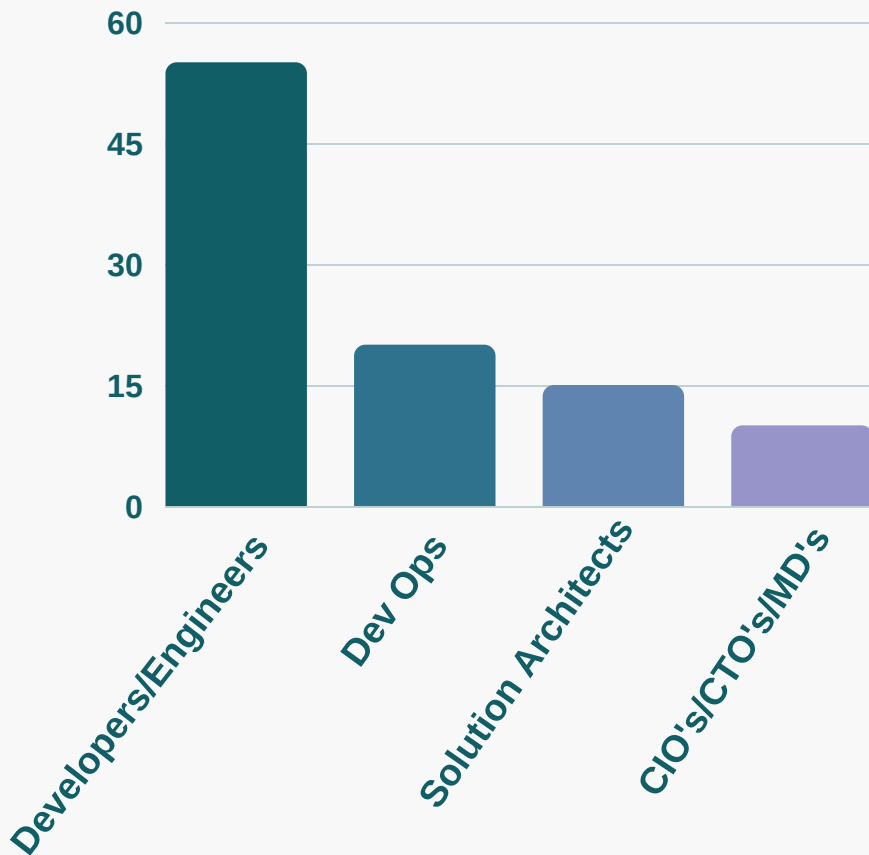

**SUMMER
CELEBRATION**

Sponsorship Pack

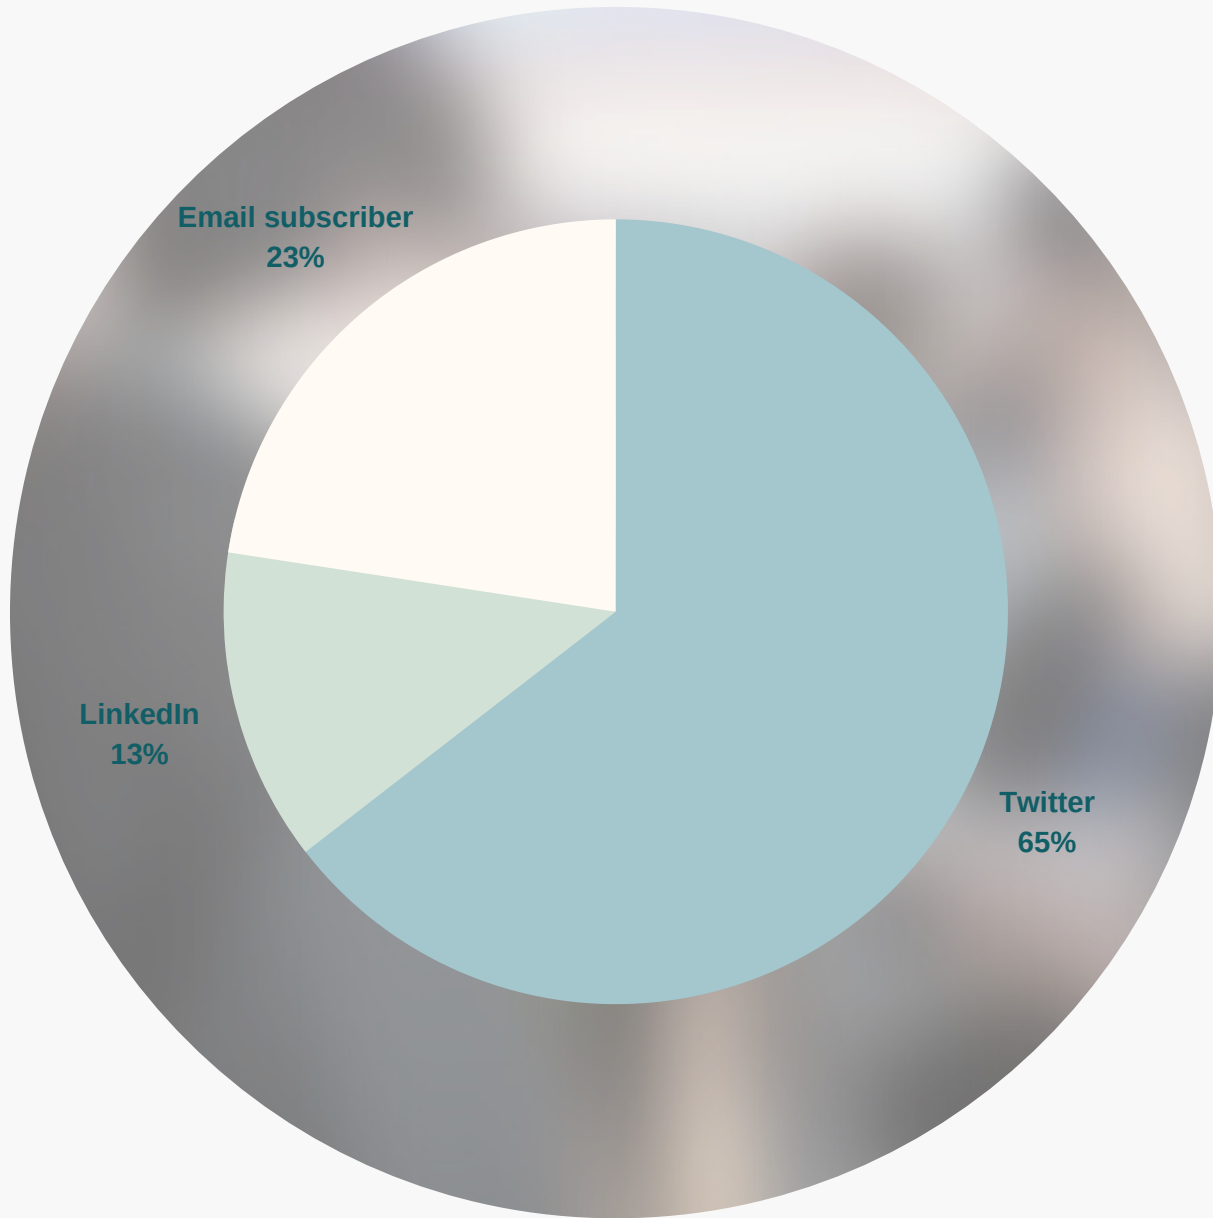

The Manchester Digital Summer Celebration is one of the highlights of the social calendar amongst Manchester's digital and tech scene. After such a prolonged period of time without F2F meetings and events we want to bring our community of members together. We expect 180 members to gather together over a few drinks and food to meet new people, reacquaint with old colleagues and friends and to network and talk business.

We can't guarantee the sunshine but we can guarantee a good time with some of the North West's best digital and tech businesses!

VISITORS

Our Summer Celebration attracts an array of different delegates including developers, CIO's, CTO's, Solution Architects/Engineers

MEDIA REACH

All of our sponsors benefit from brand exposure to our extremely engaged subscribers and followers
