Thursday 6 th February	Digital Future's Experience Day
Friday 7 th February	GM Digital Day

SPONSOR PACKAGES AVAILABLE

HEADLINE SPONSOR - £12,000 +VAT (2 AVAILABLE)

Align your business with the biggest tech and digital talent event in the North and be seen as one of the region's most progressive businesses; committed to making a real change to the talent pipeline and creating great opportunities for young people.

Being a headline sponsor provides you with exclusive branding opportunities - including branding of our Digital Skills Audits. The findings of our audits inform Manchester Digital's work throughout the whole year and are important documents frequently used by regional and national government when making decisions that affect the future of our industry.

For 2020 we'll be running two audits: one aimed at businesses and one for employees to complete. This will ensure that the research is well-rounded and robust.

DIGITAL SKILLS FESTIVAL
