Manchester Digital Chair's Reception Sponsorship opportunities

Manchester Digital's Chair's reception offers the opportunity to meet with senior leaders in large-scale digital and technology businesses here in the North West. Each event brings together 40-50 c-level individuals to network, share best practice and make connections.

These receptions are invitation only as they provides attendees the opportunity for peer-to-peer networking - which is quite unique and rare within the tech and digital community. The receptions are held approximately 3-4 times a year.

The cost for sponsoring one event is £2000 + VAT. This includes:

- **Up to four places at the event**
- **Opportunity to welcome guests**
- **Branding at the event**

If you are interested in sponsoring the Chair's Reception, please contact Shivani Mehta on shivani@manchesterdigital.com or 0161 238 8642.
