**SECURITY
SUMMIT**
N^oRTH

Security Summit North is a new one-day conference taking place at Manchester Hall on 22nd October 2020.

Security Summit North will address the most topical issues in cyber-security and delegates will leave with extensive knowledge of how to implement more stringent security measures; a better understanding of how advancements in technology create opportunities and challenges in this arena and a wider understanding of what the future holds in terms of security.

Security Summit North is brought to you by Manchester Digital, the independent trade body for tech and digital businesses in Greater Manchester. This accessible and affordable conference, with world class expert speakers will equip delegates with the tools and knowledge they need to be cyber resilient and to protect their businesses.
