

Manchester Digital

Share Your Story – Member Conference 2025

We're inviting Manchester Digital members to contribute to our **pre-event blog** for the **Member Conference 2025!**

This year's conference theme, **Built to Last**, celebrates organisations thriving through collaboration, experimentation, resilience and growth. We want to hear your story. How has your business adapted, innovated, or collaborated to achieve sustainable success?

Your contribution can be a short reflection, insight, or example of what's working in your organisation – practical, inspiring, and authentic. Aim for around **200 words**.

Deadline: 20th of November 2025

The contributions will be featured in our pre-conference content, giving your story visibility across our community of digital and tech businesses in the region. It's a great way to share your experiences, inspire peers, and showcase the innovative spirit of our members.

How to submit: Email your blog directly to kate.wilson@manchesterdigital.com

Don't forget to book your tickets to the conference on the 4th of December – [Here](#)
